

VINÍCOLA NULLES

CENT VEREMES

## “Pure expression of Mediterranean Tarragona”

Identity in bottle. Instruction book of the most Mediterranean Tarragona. Born from the oldest vines in Nulles. It is a tribute to the five generations of farmers who, over a hundred harvests, have made it possible for us to be who we are today. Live, dense, mineral and aromatic.

**100% organic Macabeo**

*Vineyards over 60 years old  
18km from the sea and 250m high*

*Clayey and very limestone terroir  
rich in minerals*

*Ideal to pair with pasta dishes, fruit  
salads, stewed white meats, rice  
dishes, fish and seafood*

**The representative minerality of the limestone terroir stands out. Pale yellow in color, it hides greenish hues typical of the Macabeo. Expressive and fresh, with notes of eucalyptus and white flowers.**

Still white wine. Denomination of Origin Tarragona. 100% Macabeo from old vines chosen and harvested by hand. Fermented and aged for 5 months with its lees (50% in French oak casks and 50% in plastic eggs). 11.50% alcohol.
